- ✔ **Market all services you provide**
- ✔ **Display your logo** for brand recognition
- ✔ Electronic Invoicing allows for **quicker payments** by your employers (optional)
- ✔ Access to a list of **all ComplyWorks Employers**
- ✔ **Send data** and your Safety Summary to **non-ComplyWorks users**
- ✔ **Get notified** of upcoming expiries
- ✔ **Track** requirements of your assets and your workers
- ✔ **Communication with your employers**
- ✔ Illustrates your **emphasis on safety and preparedness**

## Next, do you have a requesting employing company?

**YES**

**Great!** Some employing companies have special pre-negotiated rates which will reduce your investment. We always want to deliver the most affordable solution to all of our clients. As well your employing companies will have specific requirements that you will only get access to if they are requesting your information.

Talk to your local employing company representative to get you pre-registered with their specific requirements. If they do not know what to do give us a call and we will help.

**NO**

**Don't worry, we have your back!** ComplyWorks will give you a leg up on the competition, showing that you're prepared and **Ready to Work**, *but it does not guarantee you will be hired*. You will be asked for basic compliance requirements that most employers want, saving you time once you are hired by an employer.

ComplyWorks allows you to be searchable within our system by any employing company; they are able to search by the services you provide, service areas, and name. **Registering in ComplyWorks will give you an affordable advantage in a tough market.**

### ✔ What we need to get you started:

- Your company name
- Your business address
- Your contact information (phone number and email address)
- Your peak number of employees for the last calendar year (total on payroll less subcontractors)
